

# Missing You

## **VERSE**

E                    B/D#   F#                    G#m  
It's been so long                    since I have seen Your beauty  
E    B/D#                    F#  
I want to see You now  
E                    B/D#   F#                    G#m  
It's been so long                    since I have heard Your whispers  
E    B/D#                    F#  
I want to hear You now

It's been so long since I have felt You with me  
I want to feel You now  
It's been so long since I have let You hold me  
Father hold me now

## **CHORUS**

B            E                    G#m            F#  
Oh be exalted, be the King of my soul  
B            E                    G#m            F#  
I lay down my life and forever I'll know  
B            E                    G#m            F#  
You will be there in the moment I need You  
B            E                    G#m            F#  
And You have been here only I couldn't see You  
E            G#m   F#            E            G#m   F#  
I've been missing You    I've been missing You

## **VERSE**

It's been so long since I have let You lead me  
I want to follow now  
It's been so long since I have said I love You  
I want to tell You now

## **BRIDGE**

E   F#   G#m   F#/A# (repeat)
